Happy Year of the Rooster! This Saturday, January 28, is the start of the 15 day celebration of the Chinese New Year. The Chinese New Year is celebrated in many Chinese-speaking countries, and is a major holiday around this time of year. People celebrate by going to festivals, parties, feasts, and by giving gifts. Over the New Year people relax and get together with their families and wish each other luck and prosperity for the coming year. If you know someone who celebrates the holiday, be sure to wish them a happy new year!

Attention Seniors...if you are applying to Thaddeus Stevens, please come into Counseling for a scholarship opportunity.

Instructions for Spring Sports:

- If an athlete played a fall or winter sport, they will need to complete a Spring Recertification form. They are available in the high school office, middle school office, or on the Sports page on the CW website. If any injury has occurred since the initial physical was done, a completed Section 8, signed by a physician, must be submitted.
- If an athlete completed a physical form and turned it in earlier this year for a spring sport, they should already be on a sports roster. They can stop in the high school office and check with Mrs. Bright.
- If an athlete did not play a fall or winter sport, did not complete a physical packet yet, and would like to play a spring sport, they should complete a full physical packet and turn it in to the high school or middle school office. Section 6 needs to be completed and signed by a physician.

All physical packets must be turned in to Mrs. Bright in the high school office by Monday, February 13.
