Instructions for Winter Sports:

- If an athlete played a fall sport, they will need to complete a Winter Re-certification form. They are available in the high school office, middle school office, or on the Sports website. If any injury has occurred since the initial physical was done, a completed Section 8, signed by a Physician, must be submitted.
- If an athlete completed a physical form and turned it in earlier this year for a winter sport, they should already be on a sports roster. They can stop in the high school office and check with Mrs. Bright.
- If an athlete did not play a fall sport and did not complete a physical packet yet and would like to play a winter sport, they should complete a full physical packet and turn it in to the high school or middle school office. Section 6 needs to be completed and signed by a physician.

All paperwork should be turned in to Mrs. Bright in the high school office by Friday, November 4.

With just a few coins, you can help make the world a better place. Drop your spare change in the orange or white UNICEF boxes on many teachers' desks this week, and you will be donating to UNICEF, which helps provide necessities such as clean water, education, immunizations, and food for children who need assistance throughout the world. At the end of this week, Key Club will be collecting the boxes. We are hoping that, through your change donations and through our trick-or-treat for UNICEF efforts, we will be able to raise \$1000 to send to UNICEF to bring aid to children everywhere who need our help.

Veterans Walk: Any students interested in going on the Veterans Walk on 11/11 please see Mr. Musser in C112 for more details. Permission slip is due by Friday 11/4.

Attention 2nd semester Latin students: If you are interested in going to Philadelphia on Nov. 10, stop by D109 for information ASAP. The money for the New York and Philadelphia trips is due on Friday, Oct. 28.

HAPPINESS JAR: Even though I lost my Mom 2 years ago, she's still with me everyday.
