Attention JUNIORS... We are 80 items short of our 300 item goal and that means less profit for us! If we do not reach the goal, we will have to pay for shipping and that means less money to be used towards prom and our Junior Class trip. We're extending the deadline by one more day. Please get out there tonight and sell a few items to help your class reach that goal!

If you will be attending the Berks County College Fair [on Monday, October 26](#) at Albright College, there will be a text-messaging registration system available for you to use. Instead of filling out paper contact cards by hand for every school you're interested in, you can save time by providing your information via text message to colleges of your choice. Here's what you need to do:

1. **Text #ConradWeiserHS to [424-888-7537](tel:424-888-7537).** You will get prompted to fill out your basic contact information via text.
2. At the fair, you will receive a list of colleges and their texting codes. When you find a school you like, text the code to the number, and your information will get sent electronically to that school.
