Instructions for Spring Sports:

- If an athlete played a fall or winter sport, they will need to complete a Spring Recertification form. They are available in the middle school office, or on the **Sports page on the CW website**. If any injury has occurred since the initial physical was done, a completed Section 8, signed by a physician, must be submitted.
- If an athlete completed a physical form and turned it in earlier this year for a spring sport, they should already be on a sports roster. They can stop in the middle school office and check with Mrs. Gresoi.
- If an athlete did not play a fall or winter sport, did not complete a physical packet yet, and would like to play a spring sport, they should complete a full physical packet and turn it in to the middle school office. Section 6 needs to be completed and signed by a physician.

All physical packets must be turned in to the middle school office by Monday, February 13.
