Pennies for Patients Thought of the Day:

Did you know the number 13 is represented on the dollar bill several times: there are

- 13 arrows,
- 13 leaves in the olive branch,
- 13 stars, and
- 13 stripes on the shield.

Thirteen stands for the original 13 colonies that formed the United States. Last year, students across the country raised 28 million dollars! Stacked on top of one another that is enough pennies to make it around the world 1.3 times! But The Leukemia & Lymphoma Society's Student Series is more than just finding pennies; it is about finding a cure! Thanks to schools like ours LLS is supporting life-saving research and making cures happen not someday, but today! Remember the grade level with the highest total will enjoy an ice cream treat! Tune in Monday morning to see which homeroom and grade level have raised the most money this first week. More importantly, who will be pied at a future .e assembly!
