Pennies for Patients Thought of the Day:

Did you know that the money you are raising will help fund research? In medicine, research means the careful study of a disease with the goal of finding a cure. Your donations will help fund 480 researchers in 15 different countries on five continents! Since its founding in 1949, the Society has invested more than \$1 billion for LLS research specifically targeting leukemia, lymphoma and myeloma. We are proud to be a part of funding that research!

On another note, I heard Mrs. Meredith is planning to win the penny war and smash a pie in Mrs. Natale's face. Don't forget to put your silver coins in the jug of a teacher you want to see eat a pie in a future assembly.
