~NEWS~

Our students participated in the #TrexRecyclingChallenge, along with more than 580 schools nationwide, to recycle as much plastic film as possible before #EarthDay. Our hard work paid off with 3,404 pounds of plastic film recycled! We were recognized as one of the top 5 schools in the NATION for pounds of plastic collected. All the plastic we collected will be converted into beautiful Trex decking instead of being dumped in a landfill. Because of our hard work, Trex has recognized our school by donating a bench to our school. Great job, Conrad Weiser Middle School students and keep recycling your plastic!

Attention 6th graders: You have only 2 more days to turn in your NEED Camp paperwork and payment to the office, please do so as soon as possible!

Order forms and payment for the 8th grade formal class photo are due by Monday May 2nd to the middle school office. Envelopes will be distributed by your homeroom teachers today.
