## **~Clubs & Activities~**

*Conrad Weiser Middle School has been challenged to collect plastic bags and other recyclable film. Our goal is to collect more film than other schools our size. Not only will we help our environment, but we could also win some great outdoor furniture built by Trex for our school. If you've enjoyed the bench at lunch, that is all thanks to YOUR collections last year.*

*All plastic must be clean, dry and free of food residue. Some examples of what we will accept are: grocery bags, bread bags, case overwrap, dry cleaning bags,*

*newspaper sleeves, ice bags, wood pellet bags, Ziploc and other reclosable bags, produce bags, bubble wrap, salt bags, and cereal bags. The FFA has volunteered to collect all bags and tally our results. So, all you need to do is deliver them to school. Recycling containers will be located in the main lobby, gym lobby, and between 7/8 science classrooms. Bags may also be delivered directly to Mrs. Meredith's classroom, F-3. Collections will run from now until April 14, 2017. Look for a flier and a magnet to hang up at home from your ER teacher soon. So, do you Accept the Challenge???*
