## Mini Career Development Events

Career opportunities abound within today's agriculture industry. Career Development Events (CDEs) help students develop the abilities to think critically, communicate clearly, and perform effectively in a competitive job market.

The FFA has 24 CDEs at the National level, covering agricultural job skills in everything from communications to mechanics. Students who compete in these events have the opportunity to test their knowledge and skills against other students locally, regionally, at the state level and up to the national level depending on their achievement.

This year, our HS FFA members will be coming to our school to give you a "taste" of some of these CDEs.

**Who:** Any FFA member

**What:** Come and practice your skills with a few hands on activities in possible areas of Floriculture, Horse Evaluation, Veterinary Skills, Food Science and Technology, Milk Quality and Products, Public Speaking, Aquatics, or many more

**When:**

**Where:** Cafeteria

**Time:** 2:45pm to 5:00pm

**You will need to have someone pick you up from school at the cafeteria entrance at 5pm.  
A permission slip is required by April 4<sup>th</sup> so we have enough supplies for everyone.**
