Principal's Report - February 23 was the Hybrid Learning Conference and the teachers and administration received the Best Team Performance award. PSSA testing in April will start the day with some physical activity, hard candy will be permitted during the tests, no water or other snack needed, TI30 calculators can be used during testing (and can be bought at the library), and the tests will be in morning with the rest of the day treated as a two hour delay as far as class times. On March 11, Mrs. Noll took 10 8th grade students to the rotary leadership conference. On March 10, 20+ students participated in the Science Olympiad (over half were 6th grade students). Substitute teachers and aids are needed in the school district. Last Friday and Saturday was the Middle School musical with many raves and kudos.
